Each prospective party should consult his own professional advisers on (a) the legal requirements within the country of his residence with regards to any form of participation with APG, (b) any foreign exchange restrictions that may be relevant to him and (c) the income and other tax consequences that may be relevant to participation with APG.

Accuracy of Information

Any information content provided by APG either verbally, or electronically such as on the website is subject to change at any time without notice, and is provided for the sole purpose of assisting clients to make independent decisions. APG has taken reasonable measures to ensure the accuracy of

the information given and on the website, however, does not guarantee its accuracy, and will not accept liability for any loss or damage which may arise directly or indirectly from the content or your inability to access the website, for any delay in or failure of the transmission or the receipt of any instruction or notifications sent through this website. As such, this may present an inherent risk to clients.

Partner Stability

No assurance can be given regarding the stability, financial strength, capitalization, or credibility (past, present or future) of the chosen banks, institutions, prime partners, liquidity providers, clearing agents, law firms, consultants, accounting firms, regulators, technology providers, or other affiliated partners chosen by APG. APG will not be held responsible for any actions, omissions, errors or misconduct, conducted by their chosen partners that may have any effect on a client, negative or otherwise which is out of the sole control of APG.

Market Opinions by Atlantic Pearl

Any opinions expressed as to the future direction of prices of specific markets or any asset classes are purely the opinions of APG, and do not necessarily represent the opinion of anyone else, and are not guaranteed in any way. In no event shall APG have any liability for any losses incurred in connection with any decision made, action or inaction taken by any party in reliance upon the information provided verbally or via the Internet, or any delays, inaccuracies, errors in, or omissions of information. Finally, APG does not provide financial advice, or investment planning services to any clients or speculators.

Performance and Information Discrepancies

Discrepancies in data, information, and performance reporting may occur occasionally or frequently. This phenomenon may occur for various different reasons in different market places. APG shall always do their best to ensure any and all transfer of data is as accurate and as standardized as possible, however when working with multiple providers, vendors, data

sources, and technology providers, the odds of having discrepancies occur increases in relation to the number of parties being collaborated with.
